

# Sister Pain

## Echo & The Bunnymen

Hey little sister pain  
Scarred with the taste of angels  
My little keeper of pain  
Hanging over my dark cradleShoot  
Can I be forgiven  
Shoot  
Can I be forgiven  
Stay with me  
Stay with me, yeah  
Stay with me  
Stay with me, yeahOut in the blessed remains  
Stung by a passing danger  
Mark's looking for a plane  
I'm looking for a strangerJust shoot  
Can I be forgiven  
Shoot  
Can I be forgiven  
Stay with me  
Stay with me, yeah  
Stay with me  
Stay with me, yeahHey little sister pain  
Scarredt with the taste of angels  
My little keeper of pain  
Hanging over my dark cradleShoot  
Can I be forgiven  
Shoot  
Can I be forgiven  
Shoot  
Can I be forgiven  
Stay with me  
Stay with me, yeah  
Stay with me  
Stay with me, yeah  
Stay with me  
Stay with me, yeah  
Stay with me  
Stay with me, yeah
