Incognito

Incognito

(Incognito)
The man behind the mask
(Incognito)
At the masquerade's board?(Incognito)
Can you see through his disguise?
(Incognito)
Is he a friend of yours?(Incognito)
The man behind the mask
(Incognito)A face you can't conceal?
(Incognito)
I can see through your disguiseStanding in the dark
Hidden in the crowd
(Incognito)Trying to see your face
Chasing shadows through the night
(Incognito)(Incognito)
