Baby Blue Eyes (Live-London)

Stray Cats

You're baby blue eyes
That you promised tonight have got me in a mess
Why don't you do right and quit try to fight
Every time we get this stressYour sugar daddy and your money
Well, ain't gonna treat you right
You better do something baby
Whether wrong or right, oh baby, tonight's the nightThey say that love is a wonderful game
And it happens everyday
Oh why oh why, did you pick on me
And make things happen this wayYou got stars in one eye and lies in the other
Now which am I gonna believe
You better do something baby
Whether wrong or right, oh baby tonight's the nightThey say that love is a wonderful game
And it happens everyday
Oh why oh why, did you pick on me
And make things happen this wayYou got stars in one eye and lies in the other
Now which am I gonna believe
You better do something baby
Whether wrong or right, oh baby tonight's the nightYou're baby blue eyes
That you promised tonight have got me in a mess
Why don't you do right and quit try to fight
Every time we get this stressYour sugar daddy and your money
Well, ain't gonna treat you right
You better do something baby
Whether wrong or right, oh baby tonight's the night
