Run To You

Samantha Jade

I know that when you look at me
There's so much that you just don't see
But if you would only take the time
I know in my heart you'd find
A girl who's scared sometimes
Who isn't always strong
Can't you see the hurt in me?
I feel so all alone
I wanna run to you (oooh)
I wanna run to you (oooh)
Won't you hold me in your arms
And keep me safe from harm
Each day, each day I play a role
Of someone always in control
But at night I come home and turn the key
There's nobody there, no one cares for me, ohh
What's the sense of trying hard to find your dreams
Without someone to share it with
Tell me what does it mean?
ohh
I wanna run to you (oooh)
I wanna run to you (oooh)
Won't you hold me in your arms
And keep me safe from harm, ohh
I need you here
I need you here to wipe away my tears
To kiss away my fears, ohh
If you only knew how much
I wanna run
I wanna run to you (oooh)
Tell me will you stay
Will you run away
