

# Oino

## LA Priest

How long's it gonna take to rewind time?  
Wanna make you feel like you were always mine  
Oino, oinoHow long's it gonna take to rewind time?  
Wanna make you feel like you were always mine  
Oino, oinoHow long's it gonna take to rewind time?  
Wanna make you feel like you were always mine  
Oino, oinoHow long's it gonna take to rewind time?  
Wanna make you feel like you were always mine  
Oino, time goes slow(How long) to get to rewind time  
(How long) to get you always mine  
(How long) to get to rewind time  
(How long) to get you always mineHow long's it gonna take to rewind time?  
Wanna make you feel like you were always mine  
Oino, oinoHow long's it gonna take to rewind time?  
Wanna make you feel like you were always mine  
Oino, time goes slow
