

Alone with You (Los Angeles October 17, 2012)

Tevin Campbell

Oh oh oh break it down Girl, don't leave me
Don't take this as an aggression
Girl, I've learned my lesson
Don't leave me
Ooh the natural way
You receive me
Don't take this as an aggression I just want to be alone with you
And there's nothing else I'd rather do
I just want the chance I had again
Just us two till the end Now just the other night on the phone
I tried to impress you with my tone
I've got to be for real if you're my friend
Or you'll never call me back again Girl, don't leave me
Don't leave me, don't leave me
Oooh the natural way you receive me
Oh no
Don't take this as an aggression
Girl, I've learned my lesson
Oh, yes I have
Ooh the natural way
You receive me, the natural way
Don't take this as an aggression
Aaaaaaaaah Girl, don't leave me
Don't leave me, don't leave me
Oooh the natural way you receive me
Oh no
Don't take this as an aggression
Girl, I've learned my lesson
Oh, yes I have
Ooh the natural way
You receive me, the natural way
Don't take this as an aggression
Aaaaaaaaah Girl don't be afraid ahh baby Girl, don't leave me
Don't leave me, don't leave me
Oooh the natural way you receive me
Oh no
Don't take this as an aggression
Girl, I've learned my lesson
Oh, yes I have

You receive me, the natural way
Don't take this as an aggressionOooooh oh Kyle West, break it downI just want to be You. Al B. bassI just want
