

# Guardians of Asgaard

## Amon Amarth

Standing firm against all odds  
Guarding the most sacred home  
We protect the realm of Gods  
Our destiny is carved in stone  
Three evil giants of the south  
Are constantly on the attack  
With lies and fire from their mouths  
But we always send them back  
We are brothers of the north  
Who are sharing the all father's blood  
Marching down the left hand path  
We are spawned by Asagods  
'Cause we are  
We're the Guardians  
Guardians of Asgaard  
Guardians  
Guardians of Asgaard  
Guardians of Asgaard  
We have faced our enemies  
A thousand times or even more  
Still they cannot make us kneel  
One thousand years of constant war  
The giant look for any chance  
To bring down Asgaard's mighty walls  
No matter what they send at us  
We will never let it fall  
'Cause we are  
We're the Guardians  
Guardians of Asgaard  
Guardians  
Guardians of Asgaard  
Guardians of Asgaard  
Standing firm against all odds  
We are guarding Asgaard's mighty walls  
We protect the realm of Asagods  
No matter what they send at us  
We will never let them fall  
We're the Guardians  
Guardians of Asgaard  
Guardians  
Guardians of Asgaard  
Guardians  
Guardians of Asgaard  
Guardians of Asgaard
