

# Made In America

## Toby Keith

My old man's that old man,  
Spent his life livin' off the land  
Dirty hands, and a clean soul  
It breaks his heart seein' foreign cars  
Filled with fuel that isn't ours  
And wearin' cotton we didn't grow  
He's got the red, white,  
And blue flyin' high on the farm  
Semper fi tattooed on his left arm  
Spends a little more in the store for a tag  
In the back that says U.S.A.  
He won't buy nothin' that he can't fix  
With WD Forty and a Craftsman wrench  
He ain't prejudice he's just, made in America  
Loves his wife, she's that wife  
That decorates on the fourth of July  
But says, "Every day's Independence Day"  
She's golden rule, teaches school  
Some folks say it isn't cool  
But she says the Pledge of Allegiance anyway  
He's got the red, white, and blue flyin' high on the farm  
Semper fi tattooed on his left arm  
Spends a little more in the store for a tag  
In the back that says U.S.A.  
He won't buy nothin' that he can't fix  
With WD Forty and a Craftsman wrench  
He ain't prejudice he's just, made in America  
Born in the heartland, raised up a family  
King James and Uncle Sam  
Got the red, white, and blue flyin' high on the farm  
Semper fi tattooed on his left arm  
Spends a little more at the store for a tag  
In the back that says U.S.A.  
Won't buy nothin' that he can't fix  
With WD Forty and a Craftsman wrench  
He ain't prejudice he's just, made in America  
Made in America, made in America  
Yeah my old man's that old man,  
Made in America
