

Firefly

A*Teens

Fly firefly When I said go I never meant away
You ought to know the freaky games we play
Could you forgive and learn how to forget
Hear me as I'm calling out your name Firefly come back to me
Make the night as bright as day
I'll be looking out for you
Tell me that your lonely too Firefly come lead me on
Follow you into the sun
That's the way it ought to be
Firefly come back to me
Fly firefly You and me we shared a mystery
We were so close like honey to the bee
And if you tell me how to make you understand
I'm minor in a major kinda way Firefly come back to me
Make the night as bright as day
I'll be looking out for you
Tell me that your lonely too Firefly come lead me on
Follow you into the sun
That's the way it ought to be
Firefly come back to me Fly firefly through the sky
Come and play with my desire
Don't be long don't ask why
I can't wait another night Fly firefly through the sky
Wait another night
Don't be long
Fire fire firefly Firefly come back to me
Make the night as bright as day
I'll be looking out for you
Tell me that your lonely too Firefly come lead me on
Follow you into the sun
That's the way it ought to be
Firefly come back Firefly come back to me
Make the night as bright as day
I'll be looking out for you
Tell me that your lonely too Firefly come lead me on
Follow you into the sun
That's the way it ought to be
Firefly come back to me
