

# Wanted

## Dez Duron

You know I'd fall apart without you  
I don't know how you do what you do  
'Cause everything that don't make sense about me  
    Makes sense when I'm with you  
Like everything that's green, girl I need you  
    But it's more than one and one makes two  
    Put aside the math and the logic of it  
    You gotta know you're wanted too

'Cause I wanna wrap you up  
    Wanna kiss your lips  
I wanna make you feel wanted  
    And I wanna call you mine  
    Wanna hold your hand forever  
    Never let you forget it  
Yeah, I wanna make you feel wanted

Anyone can tell you you're pretty  
    (Yeah)  
You get that all the time, I know you do  
But your beauty's deeper than the makeup  
And I wanna show you what I see tonight

    When I wrap you up  
    When I kiss your lips  
I wanna make you feel wanted  
    And I wanna call you mine  
    Wanna hold your hand forever  
    Never let you forget it  
'Cause baby I wanna make you feel wanted

As good as you make me feel  
I wanna make you feel better  
    Better than your fairy tales  
    Better than your best dreams  
You're more than everything I need  
    You're all I ever wanted  
    All I ever wanted

And I just wanna wrap you up

Wanna kiss your lips  
I wanna make you feel wanted  
And I wanna call you mine  
Wanna hold your hand forever  
Never let you forget it  
Yeah, I wanna make you feel wanted  
Yeah, baby I wanna make you feel -  
Wanted  
'Cause you'll always be wanted
