Freaky Time

Point Break

Chorus
'coz if your looking for a freaky time freaky time baby
You can always count on me I'll be waiting
If your looking for a freaky time freaky time baby
You can always count on me yeah
I wanna be the one you come home to
I wanna be everything you need
Come on and lay your lips on mine
I wanna be the one to set you free
Come on and pull my body close
I wanna lie you on the floor
Come on and lay your lips on mine
And let our bodies work for more
