

It's Everyday Bro (feat. Team 10)

Jake Paul

Y'all can't handle this
Y'all don't know what's about to happen' baby

Team 10

Los Angeles - Cali boy
But I'm from Ohio tho - white boy

[Verse 1: Jake Paul]

It's everyday bro
With the Disney channel flow
5 mill on YouTube in 6 months
Never done before
We pass all the competition man
Pewdiepie is next
Man I'm poppin' all these checks
Got a brand new Rolex
And I met a Lambo too
And I'm coming with the crew
This is Team 10, b*tch
Who the hell are flippin' you?
And you know I kick them out
If they ain't with the crew
Yeah, I'm talking about you
You beggin for attention
Talking sh*t on Twitter too
But you still hit my phone last night
It was 4:52 and I got the text to prove
And all the recordings too
Don't make me tell them the truth
And I just drop some new merch
And they are selling like a God church
Ohio is where I'm from
We chew'em like it's gum
We shooting with a gun
The tattoo just for fun
And you say boat and run
Catch me at game on
I can not be outdone
Jake Paulers number one
[Chorus: Jake Paul]
It's everyday bro

It's everyday bro
It's everyday bro
I said it is everyday bro! [Verse 2: Nick Crompton]

You know is Nick Crompton
And my collar stay poppin'
Yes, I can rap
And no, I am not from Compton
England is my city
And if you work for Team 10
Then the US would be sh*tty
And I'll pass it to Chance
'Cuz you know he stay litty
[Verse 3: Chance Sutton]

Two months ago
You didn't know my name
And now you want my fame?

B*tch I'm blowin' up
I'm only going up
Now, I'm going off
I'm never fallin' off
Like Magg, who?
Digi who?

Who are you?
All these beefs I just ran through
Hit a million in a month
Where were you?
Hatin' on me back in West
Thinking need to get your sh*t straight
Jakey brought me to the top
Now, we're really poppin' on
Number 1 and number 4
That's why these fans all out the door
It's lonely at the top
So we all going
We left Ohio

Now the trio is all rollin'
It's Team 10, b*tch
We back again, always first, never last
We the future, we'll see you in the past

[Chorus: Jake Paul]

It's everyday bro
It's everyday bro
It's everyday bro

I said it is everyday bro!

[Verse 4: Martinez Twins]

Hold on, hold on, hold on
Can we switch the language?
SÃ-, lo Ã°nico que quiero es dinero
Trabajando en YouTube todo el dÃ-a entero
Viviendo en U.S.A
El sueÃ±o de cualquiera
Enviando dÃ³lares a mi familia entera
Tenemos una persona por encima
Se llama Donald Trump y estÃ¡ en la cima
Desde aquÃ- te cantamos
Can I get my VISA?
Martinez Twins, representando EspaÃ±a
Desde la pobreza a la fama
[Chorus: Jake Paul]
It's everyday bro
It's everyday bro
It's everyday bro
I said it is everyday bro!
[Verse 5: Tessa Brooks]
Yo, it's Tessa Brooks
The competition shook
These guys up on me
I got 'em with the hook
Lemme educate ya'
And I ain't talking book
Panera is your home?
So, stop calling my phone
I fly like a drone
Stay flying like a loan
Yeah, I smell good
Is that your boy cologne?
[Verse 6: Jake Paul]
Is that your boy cologne?
Starting ballin' quick and loans
Now I'm in my flippin' zone
Yes, the all copy me
But, that's some sh*tty clones
All designer clothes
And they ask me what I make
I said is 10 with 60 rows
Always plug, merch link in bio
And I will see you tomorrow 'cuz
IT'S EVERYDAY BRO! PEACE
