Like Yesterday

Ryan Adams

I'm just staring at the moon
Like it was yesterday
Hmm, see my face
Reflected in the lights
On the window in the window pane
Trees outside are still
I take a sleeping pill
And feel a little less painYou're just sittin' in the sun
Watching the boats roll by
Boats chained to the pier
In the window boat
There's a picture of a family younger in their years
Well, I saw our time come
And I saw our time go like a fog in the lights
Out on the blackening ocean side
Ooh, it doesn't feel like yesterday
Ooh, it doesn't feel like yesterday
Ooh, it doesn't feel like yesterday
Ooh, it doesn't feel like yesterdayBut it's yesterday
Oh, like yesterday
