

# Fallen On Hard Times

## Jethro Tull

Fallen on hard times --- but it feels good to know  
that milk and honey's just around the bend.  
Running on bad lines --- we'd better run as we go,  
Tear up, tear up the overdraft again.

Oh, dear Prime Minister --- it's all such a mess.  
Go right ahead and pull the rotten tooth.  
Oh, Mr. President --- you've been put to the test.  
Come clean, for once, and hit us with the truth.

Looking for sunshine --- oh but it's black and it's cold  
Yet, you say that milk and honey's just round the bend.  
Giving us a hard time, my friends  
handing us the same line again.

Fallen on hard times --- and there's nowhere to hide  
Now they've re-posessed the Rolls Royce and the mink.

Turning on the peace sign --- and it's back to the wood.  
Soon there will be raised a holy stink.

Somebody wake me. I've been sleeping too long.  
Oh, I don't have to take this lying down.  
You can keep your promises. Shove `em where they belong.  
Don't ask me to the party --- won't be around.
