(Find A) Reason to Believe

[Rod Stewart](#)

If I listened long enough to you
I'd find a way to believe that it's all true
Knowing that you lied straight-faced while I cried
Still I look to find a reason to believeSomeone like you makes it hard to live without
Somebody else
Someone like you makes it easy to give
Never think about myselfIf I gave you time to change my mind
I'd find a way just to leave the past behind
Knowing that you lied straight-faced while I cried
Still I look to find a reason to believeIf I listened long enough to you
I'd find a way to believe that it's all true
Knowing that you lied straight-faced while I cried
Still I look to find a reason to believeSomeone like you makes it hard to live without
Somebody else
Someone like you makes it easy to give
Never think about myselfSomeone like you makes it hard to live without

Someone like you makes it easy to give

Someone like you makes it easy to give
