

# Wouldn't it be good

## Star Academy 2

Remember the day, there was a sign, it was the time

And to take me away into your arms

I heard your voice, you called my name

A single touch would stop my pain

I feel like you in everything I do

Wouldn't it be good to be in your shoes?

Even if it was for just one day

Wouldn't it be good if we could wish ourselves away?

And wouldn't it be good to be on your side

The grass is always greener over there

Wouldn't it be good if we could live without a care?

The time's passing by I feel like you, I always do

You're my place to hide, I don't know why

Still hear your voice, still feel the same

A single kiss can stop the rain

So close to you in everything I do

Wouldn't it be good to be in your shoes?

Even if it was for just one day

Wouldn't it be good if we could wish ourselves away?

And wouldn't it be good to be on your side?

The grass is always greener over there

Wouldn't it be good if we could live without a care?

Wouldn't it be good to be in your shoes?

Even if it was for just one day

Wouldn't it be good if we could wish ourselves away?
