

Healing Begins

Tenth Avenue North

So you thought you had to keep this up
All the work that you do so we think that you're good
And you can't believe it's not enough
All the walls you built up are just glass on the outside So let 'em fall down
There's freedom waiting in the sound
When you let your walls fall to the ground
We're here now This is where the healing begins, oh
This is where the healing starts
When you come to where you're broken within
The light meets the dark, the light meets the dark Afraid to let your secrets out
Everything that you hide can come crashing through the door now
But too scared to face all your fear
So you hide but you find that the shame won't disappear So let it fall down
There's freedom waiting in the sound
When you let your walls fall to the ground
We're here now, we're here now, oh This is where the healing begins, oh
This is where the healing starts
When you come to where you're broken within
The light meets the dark, the light meets the dark Sparks will fly as grace collides with the dark inside of us
So please don't fight this coming light
Let this blood come cover us
His blood can cover us This is where the healing begins, oh
This is where the healing starts
When you come to where you're broken within
The light meets the dark, the light meets the dark
