This is the seventh sign
Of love

You've got your face painted on, on, on
A real love becomerYou're all I believe
I told my best friend
You're all I believe
So why are you running?Ooh, ooh
It's the seventh sign of love

And you're holding it up from aboveYou know your voice is caring
And I'm feeling strong, strong, strong
We could end up marriedYou're all I believe
