His Mercies

IDMC

HOOK
For His mercies will last for ever
So my praise will only get better Lord
As I give all honour and glory to You
I will lift my hands in praiseV1
Oh give thanks unto the God of gods
Give thanks unto the Lord of lords
To Him who alone does great wonders
And His wisdom the heavens madeRISE
I will thank you Lord for who You are
I will lift my hands in praiseV2
To Him that created the wind that blows
To Him that created the rain
The sun by day and the moon by night
All things our God He madeRISEBRIDGE
Hosanna in the highest,
Hosanna in the highest
Oh Magnify the Lord
And bless His Holy NameHosanna in the highest
Hosanna in the highest
Hosanna in the highest
