

# His Mercies

IDMC

## HOOK

For His mercies will last for ever  
So my praise will only get better Lord  
As I give all honour and glory to You  
I will lift my hands in praiseV1  
Oh give thanks unto the God of gods  
Give thanks unto the Lord of lords  
To Him who alone does great wonders  
And His wisdom the heavens madeRISE  
I will thank you Lord for who You are  
I will lift my hands in praiseV2  
To Him that created the wind that blows  
To Him that created the rain  
The sun by day and the moon by night  
All things our God He madeRISEBRIDGE  
Hosanna in the highest,  
Hosanna in the highest  
Oh Magnify the Lord  
And bless His Holy NameHosanna in the highest  
Hosanna in the highest  
Hosanna in the highest
