Dog Bone

Curve

It doesn't matter
No one's bothered
If you do it
With one anotherYou only call when I'm alone
Dog bone, dog bone, dog bone
Act like a dog without a home
Dog bone, dog bone, dog boneOh yeah
Oh yeahYou've never wondered
Far from my side when you've pondered
If I'm your bride, you'll try
But there'll be no surprisesYou only call when I'm alone
Dog bone, dog bone, dog bone
Act like a dog without a home
Dog bone, dog bone, dog bone
You only call when I'm alone
Dog bone, dog bone, dog boneI think of you
And all you've shown
And I will never be
What you areYou only call when I'm alone
Dog bone, dog bone, dog bone
Act like a dog without a home
Dog bone, dog bone, dog bone
You only call when I'm alone
Dog bone, dog bone, dog bone
Act like a dog without a homeDog bone
Dog bone
Dog bone
