Sonic Sister Love

Primal Scream

How much do I love you
Well, I wish you'd never asked
For love is such a massive word
To contemplate our taskFor I know that you'll never let me down
Oh I know that you'll never let me downIn this world where innocence
Is laughed at by the unkind
We lack the sense of wonder
Or a beauty, let them whineFor I know that you'll never let me down
Oh I know that you'll never let me downI don't want to own you
I just want to be your friend
The best one that you'll ever have
It's true I can't pretendChorusYou'll never let me down
You'll never let me down
Oh, never let me down
Oh, never let me down
