

Just In Time

Tony Bennett & Michael Bublé©

Just in time
I found you just in time
Before you came my time
Was running low
I was lost
The losing dice were tossed
My bridges all were crossed
Nowhere to go
Now you're here
And now I know just where I'm going
No more doubt or fear
I found my way
For love came just in time
You found me just in time
And changed my lonely life that lovely day
I was lost
The losing dice were tossed
My bridges all were crossed
Nowhere to go
Now you're here
And now I know just where I'm going
No more doubt or fear
I found my way
For love came just in time
You found me just in time
And changed my lonely life that lovely day
