Leavin

Indigenous

Hey baby girl, Ive been watching you all day (all day fadex3)
Man that thing you got behind you is amazing (amazingx3)
You make me want to take you out and let it rain (let it rainx3)
I know you got a man but this is what you should sayWhy dont you tell him that Im leavin never lookin back again
You found somebody who does it better than he can
no more making you cry, no more them gray skies
girl we flying on the g-fly g-fly
And Im leavin never lookin back again
So call your shawty you tell him you found a new man
The one whos so so fly
The one to keep you high
have you singing all night, like that
Oh oh oh (repeat) man she going to be sayin
Oh oh oh oh (repeat)Now if I talk it girl, you know that I will walk it out (walk it outx3)
Man Ill put my money (money) where my mouth is (mouth isx3)
Cause you the baddest litte thing that Ive ever seen (ever seenx3)
So ima ask you one time if you got a manWhy dont you tell him that Im leavin never lookin back again
You found somebody who does it better than he can
no more making you cry, no more them gray skies
girl we flying on the g-fly g-fly
And Im leavin never lookin back againSo call your shawty you tell him you found a new man
The one whos so so fly
The one to keep you high
have you singing all night, like that
Oh oh oh (repeat) man she going to be sayin
Oh oh oh oh (repeat)Dont stress, dont stress, dont stress
Just tell him to the left left left
Dont stress, dont stress, dont stress
Cause we gone & we gone & we gone
No stress, no stress, no stress
Girl you deserve nothing but the best
No stress, no stress, no stress
Girl you need to tell him
That Im leavin never lookin back again
You found somebody who does it better than he can
no more making you cry, no more them gray skies
girl we flying on the g-fly g-fly
And Im leavin never lookin back again

So call your shawty you tell him you found a new man
The one whos so so fly
The one to keep you high
have you singing all night, like that
Oh oh oh (repeat) man she going to be sayin
Oh oh oh oh (repeat)
