Missouri Waltz

Johnny Cash

Hush a bye my baby
Slumber time is comin' soon
Rest your head on mommie's breast
While daddy hums a tuneOh, the old folks were hummin'
Banjos were strummin'
And the soft breezes sigh
As in days long gone byOh, way down in Missouri
Where I heard this melody
When I was a little feller
On my mommie's kneeThe old folks were hummin'
Banjos were strummin'
So sweet and lowHush a bye my baby
Go to sleep on daddy's knee
Journey back to Dixie Land
In dreams again with meOh, it seems like your daddy
Was there once again
And the old folks were hummin'
That same old refrainOh, way down in Missour
When I heard this lullaby
While the stars were blinkin'
And the moon was shinin' highOh, the old folks were hummin'
The banjos were strummin'
So sweet and low
