

# Stridulum

## Zola Jesus

Slip through the door  
Like someone you've never seen before  
And I teach you the way  
To forget all the pain  
But I can't let go  
Of what's inside  
Grasping for sand  
Time won't let me stand  
Against the wall  
Against the wall  
So I rise up  
They will be gone  
Just wait for your turn  
Say goodnight  
Say goodnight  
And this will all be yours  
This will all be yours  
This will all be yours  
This will all be yours  
When you tell me your grace  
I know you baby  
I'll see this at?  
Just wait it out  
Just wait a couple more years  
And you will have it all  
When the room does fall  
And your clothes don't mend  
Well they never fail  
They've never had it all  
So don't you worry  
Don't you worry  
About a thing  
About a thing  
They will be gone  
Just wait for your turn  
Say goodnight  
Say goodnight  
And this will all be yours  
This will all be yours

This will all be yours
