Well Verlaine shot Rimbaud 'cause he loved him so
And honey, that's how I love you
Well Verlaine shot Rimbaud 'cause he loved him so
And honey, that's how I wanna goI wanna love you like a father loves his son
Tell you a song if you were to lie to me
Honey, after everything I did for youDon't have to kick nobody out of the house
They can stick around and watch us duke it out
I just like you so much better when we're comin' to goalsWell Verlaine shot Rimbaud 'cause he loved him so
And honey, that's how I love you
Well Verlaine shot Rimbaud 'cause he loved him so
And honey, that's how I wanna goI don't care if I feel - half alive
I'd waste away with you a sumpter unless you die
Just wanna know that I'm the one that makes you write that shitYeah, that should make you so angry that you leave
And you come crawling back to me down on your knees
And you're beggin' me, "I just wanna be the one you love!"Well I just wanna be the one you love
I just wanna be the one you loveWell Verlaine shot Rimbaud
Ohh, Verlaine shot Rimbaud
That's how I wanna go
Verlaine shot Rimbaud
That's how I wanna goAnd I just wanna be the one you love
Honey, I just wanna be the one you love
I just wanna be the one you love
No, I wanna be the only one you loveSo take me home
That's where I wanna go with you
So take me home
