Drivin' Wheel

Roosevelt Sykes

Feelin' good, can't be real
Must be dreamin' 'bout my drivin' wheel
Rollin' on, drivin' on
Come to me and rock me all night longWe've got a roll goin', too good to stop
Flyin' high, we've got too far to drop
Everybody needs somebody to love
I've got you and that's love enoughYou're my drivin' wheel
You're my drivin' wheel
You're my drivin' wheelPowerful love, steady roll
Move my body and it rock my soul
Let me ride, let me slide
Got that lovin' feelin', way down insideYou got me walkin', goin' round and around
You got me talkin' but I can't hear a sound
Love comes easy when the goin' is tough
May be crazy, I may be in loveYou're my drivin' wheel, yeah
You're my drivin' wheel, yeah
You're my drivin' wheel, yeahEvery night feelin' high, flyin' right
Can't believe all the love that I feel
Easy rider, you're a love exciter
You're my love, you're my drivin' wheelYou're my drivin' wheel
You're my drivin' wheel, yeah
You're my drivin' wheel
You're my drivin' wheelKeep on drivin' me baby
'Cause you're my drivin' wheel
I love the way I feel
'Cause you're my, 'cause you're my drivin' wheelLet me ride, let me slide, whoo
C'mon baby, give it to me baby
Yeah, we gotta ride, we gotta ride
We gotta ride, we gotta ride
We gotta ride, ride, ride, yeah
