

# Drivin' Wheel

Roosevelt Sykes

    Feelin' good, can't be real  
    Must be dreamin' 'bout my drivin' wheel  
        Rollin' on, drivin' on  
Come to me and rock me all night long We've got a roll goin', too good to stop  
    Flyin' high, we've got too far to drop  
    Everybody needs somebody to love  
    I've got you and that's love enough You're my drivin' wheel  
        You're my drivin' wheel  
    You're my drivin' wheel Powerful love, steady roll  
        Move my body and it rock my soul  
        Let me ride, let me slide  
Got that lovin' feelin', way down inside You got me walkin', goin' round and around  
    You got me talkin' but I can't hear a sound  
    Love comes easy when the goin' is tough  
    May be crazy, I may be in love You're my drivin' wheel, yeah  
        You're my drivin' wheel, yeah  
You're my drivin' wheel, yeah Every night feelin' high, flyin' right  
    Can't believe all the love that I feel  
    Easy rider, you're a love exciter  
You're my love, you're my drivin' wheel You're my drivin' wheel  
    You're my drivin' wheel, yeah  
        You're my drivin' wheel  
    You're my drivin' wheel Keep on drivin' me baby  
        'Cause you're my drivin' wheel  
        I love the way I feel  
'Cause you're my, 'cause you're my drivin' wheel Let me ride, let me slide, whoo  
    C'mon baby, give it to me baby  
    Yeah, we gotta ride, we gotta ride  
        We gotta ride, we gotta ride  
    We gotta ride, ride, ride, yeah
