That's all you got?x3

I don't put glue sticks in my nose and um  
But my face pasted to linoleum  
Kitchen floor shit  
Some college dorm shit

Face down in a bloodstained carpet  
Get chicks at the farmers' market  
White girls buy produce  
Take 'em home make 'em drink Grey Goose

Whiteboy wasted  
Glue stick pasted  
Whiteboy wasted  
Glue stick pasted  
Stupidfacedd x3

I drink a can of Sparks and try to freestyle  
Ex-girlfriends on speed dial  
Oh that's a drunk dial drunk sexting  
Drunk stagger drunk swagger

I don't rap good it don't matter  
Can't sing good. it don't matter  
Cause I'm whacked-out sleepwalking  
On a quest for God at my friend's apartment

Whiteboy wasted  
Glue stick pasted  
Whiteboy wasted  
Glue stick pasted  
Stupidfacedd x3

When I say "awkward" y'all say "silence"  
Awkward  
Awkward

Super Soaker filled with Four Loko  
Plus SoCo real gross yo

I go ham and cheese on rolls  
That's a metaphor. Another metaphor:

Like icing on a Cinnabon  
Like a hot chick that ain't no fun  
Listen I'ma teach you a lesson  
Let's start at number

One: Sleep is the best way to save money  
Two: Money is the best way to have sex  
Three: Sex is the best way to feel nothing  
Four: Nothing happens if you're asleep

So stay up until you wake up
