

Aggressive Grim Filthy

Barcode

Same old scene, strapped up for show
Yet another match, let the good times roll
Aint no baller in this world compares
We are the champs, start saying your prayers
A G F crew double A, eight K
Aggressive grim filthy
Humiliation striking with a mortal attack
Dissin days are over, its time for payback
Sing with one voice, make some noise
Aggressive grim filthy
This is our home ground, be our guest
Fuck you all, were on top of the best
Safe players, sissy asses, over and through
Enjoy your short stay, its soon over for you
Same old scene, strapped up for show
Yet another match, let the good times roll
