

# Fox on the Run

## Sweet

I don't want to know your name  
'Cause you don't look the same  
The way you did before  
OK you think you got a pretty face  
But the rest of you is out of place  
You looked all right before

Fox on the run  
You screamed and everybody comes a-running  
Take a run and hide yourself away  
Fox on the run  
F-foxy, foxy on the run and hideaway

You-you talk about just every band  
But the names you drop are second hand  
I've heard it all before  
I don't want to know your name  
'Cause you don't look the same  
The way you did before

[Chorus]
