Zion's Daughter

Boney M.

Zion's daughter, now your heart is full of joy
In a cradle in the manger lies the Holy BoyZion's daughter, with your sweet angelic smile
Holding in your arms the Christ Child, resting for awhileNow the world is waiting, People want to hear
What in Bethlehem had happened, that have brought the Savior near
Now high hope starts rising for another day
With eternal love and justice finally on the wayZion's daughter, now your heart is full of joy
In a cradle in the manger lies the Holy BoyZion's daughter, with your sweet angelic smile
Holding in your arms the Christ Child, resting for awhileZion's daughter, now your heart is full of joy
In a cradle in the manger lies the Holy BoyZion's daughter, with your sweet angelic smile
Holding in your arms the Christ Child, resting for awhileThat's the way it happened many years ago,
With the sky above the shining in a wondrous glowNow the world is waiting, people want to hear
What in Bethlehem had happened, that all will say you're nearZion's daughter, now your heart is full of joy
In a cradle in the manger lies the Holy BoyZion's daughter, with your sweet angelic smile
Holding in your arms the Christ Child, resting for awhileZion's daughter
