

Zion's Daughter

Boney M.

Zion's daughter, now your heart is full of joy

In a cradle in the manger lies the Holy Boy Zion's daughter, with your sweet angelic smile

Holding in your arms the Christ Child, resting for awhile Now the world is waiting, People want to hear

What in Bethlehem had happened, that have brought the Savior near

Now high hope starts rising for another day

With eternal love and justice finally on the way Zion's daughter, now your heart is full of joy

In a cradle in the manger lies the Holy Boy Zion's daughter, with your sweet angelic smile

Holding in your arms the Christ Child, resting for awhile Zion's daughter, now your heart is full of joy

In a cradle in the manger lies the Holy Boy Zion's daughter, with your sweet angelic smile

Holding in your arms the Christ Child, resting for awhile That's the way it happened many years ago,

With the sky above the shining in a wondrous glow Now the world is waiting, people want to hear

What in Bethlehem had happened, that all will say you're near Zion's daughter, now your heart is full of joy

In a cradle in the manger lies the Holy Boy Zion's daughter, with your sweet angelic smile

Holding in your arms the Christ Child, resting for awhile Zion's daughter
