

Overthrown

Tom McRae

We fall
Through water
Unsung unseen
And days
Thought endless
Lose more
Light and heat So let the dead bury the dead
I should leave For I am
For I am overthrown
Confess to me now
Confess to me now Half in sunlight
And half in shade
Words in collision
I bend to your shape
I see the skull beneath the skin
I see it all For I am
For I am overthrown
Confess to me now
Confess to me now For I am
For I am overthrown
Confess to me now
Confess to me now
Confess to me now
