

# I Wanna Feel The Chill

[Dot Allison](#)

I, I wanna hear the sound  
I only dream of  
And I, I wanna feel the chill  
Of summer love Ohh, make it true  
Ohh, makin' you  
Ohh, make it true  
Ohh, makin' you I, I wanna hear you your voice  
Through the darkness  
And but how, yeah how can I be sure?  
When you constantly change Ohh, make it true  
Ohh, makin' you  
Ohh, make it true  
Ohh, makin' you
