it's mine

Jay Alien

It's mine, it's mine, it's mine
I can do whatever ever, I can do whatever ever
It's mine, it's mine, it's mine
I can do whatever ever, I can do whatever ever
Sexy is what they call me, they could call me when they're naughty
They wanna get, get it up on me and I ain?t havin? that
They say they would wanna know me, do anything for me
First you gotta show me, show me proof of that
?Cause I done had lots of boys give me lots of toys
So it don't matter to me
This property belong to me and only me
Let me break it down baby
It's mine, I can give it if I want it
It's mine, it don't matter if you want it
I can give it to them, I can take it back, back
It don't matter ?cause I got it like that
It's mine, I can give it if I want it
It's mine, it don't matter if you want it
I can give it to them, I can take it back, back
I'm the boss and I got it like that
Them boys up in the party, they tryna fulfill my body
I know that I'm a hottie but and I ain't havin? that
Oh, if they want to know me, they gonna show me
At least they gotta show me, show me proof of that
?Cause I done had lots of boys give me lots of toys
So it don't matter to me
This property belong to me and only me
Let me break it down baby
It's mine, I can give it if I want it
It's mine, it don't matter if you want it
I can give it to them, I can take it back, back
It don't matter ?cause I got it like that
It's mine, I can give it if I want it
It's mine, it don't matter if you want it
I can give it to them, I can take it back, back
I'm the boss and I got it like that
It's mine, it's mine, it's mine
I can do whatever ever, I can do whatever ever
It's mine, it's mine, it's mine

I can do whatever ever, I can do whatever ever
You got your rims ridin? low, I know you keep it real
But this thing ain't cheap, you get no special deals
But don't get me wrong, I know how to get down, down
Drop it low, bring it up and say, ow, ow
Let ?em know, let ?em know, let ?em know, how
Even though body be bangin?, but bangin? isn't my thing
Let ?em know, let ?em know, let ?em know, how
Even though they want to hit it, forget it
I tell him baby it's mine
It's mine, I can give it if I want it
It's mine, it don't matter if you want it
I can give it to them, I can take it back, back
It don't matter ?cause I got it like that
It's mine, I can give it if I want it
It's mine, it don't matter if you want it
I can give it to them, I can take it back, back
I'm the boss and I got it like that
Whatever I want
Whatever I want
Whatever I want
Whatever I want
Whatever I want
Whatever I want
Whatever I want
Whatever I want
