

# Hold On Your Heart

## Uncle Lucius

Uncle lucius, Hold on your heart lyrics.

Forgiving a fool, and the fool is me, now I gotta do right by you...

I'm not expecting anything, i've accepted that we may be through.

I put your picture back in the bevelled frame, to remember how to smile.

Love is the reason for everything let me hold on your heart for a while. Hold on your heart for a while.

Caught me at the end of a low down rope and ya made me wanna climb.

Puts through hell with the tricks i've pulled and the lies, and the lies, and the lies.

I put your picture back in the bevelled frame to remember how to smile.

Love is the reason for everything let me hold on your heart for a while. Hold on your heart for a while.

Hey, I was weak and I was wrong. I admit to my mistakes. Knowing how I made you feel has been the toughest price to pay. I've gotta make a change and it has to start with in.

Only, small steps to pass the time to remedy the shape i'm in.

Thank you for your patience & your understanding ways. I'm humbled by your beautiful capacity for grace.

I put your picture back in the bevelled frame to remember how to smile.

Love is the reason for everything let me hold on your heart for a while. Hold on your heart for a while. Lemme hold on your heart for a while....
