

# Helplessly

Tatiana Manaois

It's not that easy with you here  
But I know I want you to stay  
See this could be us in a few years  
But just admit you like to play It's like everyday  
I'm kicking rocks.  
I could fly away  
but you got me at a complete stop How do you  
manage to keep me going  
but somehow you keep me from going See you distract me, but I'm distracted without you  
I don't know how to focus baby teach me how to  
Cause I'm standing still again  
But if you love me, just like the way that I love you  
I wouldn't mind a little comforting from you  
Why do I let you in my head?  
And I gotta go sometimes, but you're always on my mind  
You're not helping me  
You're not helping me  
You're not helping me  
You're not helping me  
You're not helping me  
But I helplessly fall, for you Now I'm running late  
And I'm not a coffee drinker  
But I lost sleep just thinking of you  
So pour me a cup  
I need to wake up  
I need me some love  
Now give it to me Cause everywhere you go I'll follow you  
I'll give you all of me, give me all of you  
I gotta go sometimes  
But you're always on my mind  
See you distract me, but I'm distracted without you  
I don't know how to focus baby teach me how to  
Cause I'm standing still again  
Cause if you love me, just like the way that I love you  
I wouldn't mind a little comforting from you  
Why do I let you in my head?  
No  
And I gotta go sometimes, but you're always on my mind  
You're not helping me babe

You're not helping me babe  
But I fall helplessly for you, for you.  
You're not helping me babe  
You're not helping me babe  
But I fall helplessly for you, for you.
