

When a Woman Loves a Man

Westlife

When the stars are in her eyes
And the sun is in her smile
The only moment in a life
This happens the same time
When a woman loves a man She'll be a mother and a child
Sacrifice her days and nights
And no other will exist
She'll put her life in every kiss
When a woman loves a man And you'll be amazed how when
You're stumblin'
She'll fight for you
And won't let you give in
She'll do all that she can
When a woman loves a man A soothing breeze always blows
Somebody understands another soul
It's like the planets have aligned
Every sentence has a rhyme
When a woman loves a man Oh, you'll be amazed how when
You're needin' it
She'll fight for you
From the beginnin' to the end
And she'll do all that she can
When a woman loves a man It's the greatest gift of all
Knowin' that unconditionally
She'll catch you when you fall
Yeah
Ooh yeah
When a woman loves a man When the stars are in her eyes
And the sun is in her smile
She'll be a mother and a child
But all at the same time
When a woman loves a man She'll be your air
She'll bring you life
She'll make me sacrifice
When a woman loves a man
