Till The Truth Walks In

Sarah Darling

I'm fine till the truth walks in
New jeans and a big ole grin
And I feel that rush again
Like he was holding me
And I was his everything
Big plans and a little ring
I tell myself not to think
How good it used to be

That mistake I wish I never made
Is the day I let him walk away
So convinced I could love that way again
I tell myself I'm better off
That I was right and he was wrong
But they're just paper airplanes
In the wind
That I believe till the truth walks in.

I'm fine till I see his eyes
Those deep blue perfect eyes
I turn my head and try to hide
That I'm breaking down
Then I get that searching look
That how you doing look
That see right through me look
Like only he knows how

The mistake I wish I never made
Is the day I let him walk away
So convinced I could love that way again
I tell myself I'm better off
I was right and he was wrong
But they're just paper airplanes
In the wind
That I believe till the truth walks in.
Till the truth walks in, Iâ€™m fine till the truth walks in
