

# What I Need

Jackie Venson

You impress me  
The way you test me  
Spinnin' circles around my head  
You make me realize  
That I've been lonely  
You make me realize  
I need a man You are what I need  
I never wanna be alone  
Yeah your body's what I need  
To keep me warm to keep me warm  
Your love is what I need  
I'm starving on my own  
Oh you are what I need Feels I've been sleeping  
But I've been hiding  
And I've been searching  
Searching for you  
Doors I'd open would lead to nowhere  
Roads I'd follow would never end So you are what I need  
I'll never get lost again  
Yeah your hands are what I need  
To carry the light to carry the light  
Your body's what I need  
To keep me warm to keep me warm  
Oh you are what I need
