Sukoshi tomadou no----------
When I was watching
The rain falling
Through the window
I suddenly
Realised
I love youI love you so much
That I it makes me sad
I love you so much
That I want to die
I love you so much
That I hate youFound my old agenda
Checked out
Your phone number
And then I
I called
YouI love you so much
That I it makes me sad
I love you so much
That I want to die
I love you so much
That I hate youIf this
Loving you thing
Is going to last
Till I get old
Always this painful
Everyday so painful
I think I'll feel
Lonely and sad
There's nothing
One can do about it
But it's sad
In the cinema

The film gets stuck(stop)Halfway through
And then suddenly
You too realise
That you love
MeI love you so much
That I it makes me sad
I love you so much
That I want to die
I love you so much
That I hate youIf our love
Our mutual love
Is going to last
Till we get old
Always this peaceful
Everyday so peaceful
I think I'll maybe
Be happy
I don't mind but
I feel a bit
Uncertain
