## I Walk Beside You

## **Dream Theater**

There's a story in your eyes
I can see the hurt behind your smile

For every sign I recognize

Another one escapes meLet me know what plagues your mind

Let me be the one to know you best

Be the one to hold you up

When you feel like you're sinkingTell me once again

What's beneath the pain you're feeling

Don't abandon me

Or think you can't be savedI walk beside you

Wherever you are

Whatever it takes

No matter how farThrough all that may come

And all that may go

I walk beside you

I walk beside youSummon up your ghosts for me

Rest your tired thoughts upon my hand

Step inside the sacred place

When all your dreams seem brokenResonate inside this temple

Let me be the one who understands

Be the one to carry you

When you can walk no furtherTell me once again

What's below the surface bleeding

If you've lost your way

I will take you inI walk beside you

Wherever you are

Whatever it takes

No matter how farThrough all that may come

And all that may go

I walk beside you

I walk beside youOh, when everything is wrong

Oh, when hopelessness surrounds you

Oh, the sun will rise againThe tide you swim against

Will carry you back home

So don't give up, don't give inI walk beside you

Wherever you are

Whatever it takes

No matter how farThrough all that may come

And all that may go

I walk beside you I walk beside you
