

Giving It All Away

The Frames

Hey you, living for tomorrow
You sold your dreams for a pocket of change
Hey you, smokin' up your sorrow
Just pointing fingers at someone to blame
Hey you, you turn your back on your children
It's left you in the big burning bed
This life's like livin' in the gutter
All this pain just makes you feel dead
You're just givin' it all, givin' it all away
You're just givin' it all, givin' it all away
Hey, hey, ey yey, yey, yey
Slow down, just look a little closer
You might find that it's not the end
You wonder how, your life to get better
When you're alone you just tear yourself down
You're just givin' it all, givin' it all away

You're just givin' it all, givin' it all away
You're just givin' it all, givin' it all away
You're just givin' it all, givin' it all away
Hey, hey, ey yey, yey, yey
Try and find your better half now
Open your eyes and find yourself
Hey girl, screamin' for attention
Once you get it you throw it away
I'm broken, I'm pickin' up the pieces
I won't live in all your mistakes
I'm just givin' it all, givin' it all away
I'm just givin' it all, givin' it all away
Well, I'm just givin' it all, givin' it all away
I'm just givin' it all, givin' it all away
Hey, hey, ey yey, yey, yey
