

# Last Chance

## Ginuwine

Oh yea

Oh yea

Oh yea

Listen If this your favorite song, turn your radio on  
Play it for your man or your lady all day long  
If this your favorite song, turn your radio on  
Play it for your man or your lady all night long It's amazing baby how we let it go  
On and on for this long  
You blaming me, I'm blaming you  
I can't say your right  
But I sure ain't wrong  
Girl lately I, I been thinkin'  
And my thoughts are telling me, I'm trippin'  
You used to say I didn't care  
Now your bags are packed upstairs  
With all that talking tough  
I'm 'bout to lose you If this is my last chance to love you  
I'm going to play it like a grown man or two  
If I only got one shot to win you  
Then call me Jordan, 4th quarter in '92  
(I'm gonna do it) No matter what your girlfriends say  
(I'm gonna do it) Don't leave me baby talkin' about that kind of change  
(I'm gonna do it) From a boy to a man, Like Barack and his plan  
(I'm gonna do it) If this is my last chance, yea The things I said, I can't believe it  
But I swear to God, I didn't mean it  
But it takes a lot from me, to admit I'm wrong  
But I'll do whatever to save my home, cause  
I keep going back, back, and forth  
In and out, out the door  
Don't want to fuss and fight no more  
Don't give a damn about the score, cause I, I'm a different kind of man  
I'm the kind that understands, what I got inside my hands  
So If this is my last chance to love you  
I'm going to play it like a grown man or two  
If I only got one shot to win you  
Then call me Jordan, 4th quarter in '92  
(I'm gonna do it) No matter what your girlfriends say  
(I'm gonna do it) Don't leave me baby talkin' about that kind of change  
(I'm gonna do it) From a boy to a man, Like Barack and his plan

(I'm gonna do it) If this is my last chance, yea Sometimes I try to front like it don't matter  
If you leave or stay, like I could find better  
But the truth be told, I know your the one  
Girl it's plain to see that, I ain't nothing without cha  
And it seems like every song on the radio is about cha  
Girl, so stay on home  
Where you belong  
So I can try to make some right out this wrong  
Listen baby This your favorite song, turn your radio on  
Play it for your man or your lady all day long  
This your favorite song, turn your radio on  
Play it for your man or your lady all night long  
This your favorite song, turn your radio on  
Play it for your man or your lady all day long  
This your favorite song, turn your radio on  
Play it for your man or your lady all night long If this is my last chance to love you  
I'm going to play it like a grown man or two  
If I only got one shot to win you  
Then call me Jordan, 4th quarter in '92  
(I'm gonna do it) No matter what your girlfriends say  
(I'm gonna do it) Don't leave me baby talkin' about that kind of change  
(I'm gonna do it) From a boy to a man, Like Barack and his plan  
(I'm gonna do it) If this is my last chance, yea Yea yea
