

# Shifting Over

## Gentle Bones

Shifting over, shifting over my bed,  
all left unsaid drifting over  
well I told her only over my dead body  
I would be beholdenWhy'd you make me, believe indefinitely  
for somehow I would plead for nothing  
more than you pleaseAnd oh now I just don't know I don't know I don't  
now let me just go home I'll go home alone  
oh baby I just don't know I don't know  
now let me just find my way home on my ownWas it you that, in the midst of my dreams  
never let another fall for you  
Endlessly, I see all the faces they go, go aloneWhy'd you make me believe indefinitely  
for somehow I would plead for nothing  
more than you pleaseAnd oh now I just don't know I don't know I don't  
now let me just go home I'll go home alone  
oh baby I just don't know I don't know  
now let me just find my way home on my ownI've got enough I want nothing to do with you dear  
Take me away now just take me away for me  
Away from here  
Away from here  
Away from hereI've got enough I want nothing to do with you dear  
seized half my heart now it's hardly impartial unsure  
find my own way now I'll find my own way from here  
take me away now just take me away from here
