What's the Hurry

Marianne Faithfull

What's the worry, what's the hurry?
Do you hear me, do you fear me?
You've got the message, you read the story
You want the power, you need the gloryClocks break, time goes by
Hot sake along the fly
She laughs on a spin
He laughs, turns you inWhat's the panic, where's the static
Do you see me, could you meet me?
I heard the rumor, you've got my number
But now I see you run for coverSo you thought you had it made
Ain't it easy to be afraid?
Feel the pressure, take the bait
Here it comes again
