

O Lord

Cub Sport

O Lord, don't turn your back on me
O Lord, I need you here with me
O Lord, don't turn your back on me
O Lord, I need you here with me
O Lord, don't turn your back on me
O Lord, I need you here with me
O Lord, don't turn your back on me
O Lord, I need you here with me
There's a sadness in my eyes
Cos there's an anchor in my heart
In the ways we turn inside
And it's holding back my heart
And I know you'll say that it's alright
And you'll be here through the dark of the night
But there's something in this saying you'll leave
And I'm terrified
The feelings right
O Lord, don't turn your back on me
O Lord, I need you here with me
O Lord, don't turn your back on me
O Lord, I need you here with me
My love, don't turn your back on me
My love, I need you here with me
My love, don't turn your back on me
My love, I need you here with me
