

# Jesus Wept

## Demon Hunter

[Intro]

Oh[Verse 1]

Give me the call and the power to be  
Show me the will to lead and see me reign

Take me to a higher pain

Sever the burden and tell me to run  
Open the gates of mercy when I come

Give me every want in vain...

Or give me noneGive me...[Chorus]

Eyes wide

See red

I'm why

Bloodshed

So I don't forget

I'm why

I'm why Jesus wept[Verse 2]

Show me the weight of a fury divine  
Bury the dark inside, let waste the flood

Drown us in holy blood

We are the shallow, the scoffers of Hell

Shatter the path of self into the black

Take me to the end of hope...

And bring me backGive me...[Chorus]

Eyes wide

See red

I'm why

Bloodshed

So I don't forget

I'm why

I'm why Jesus wept
